

EASIGAS LPG CYLINDER EXCHANGE GUIDE

- Easigas and other LPG Suppliers that own cylinders, have adopted a general practice that allows end-users to exchange one brand of cylinder for another during a purchase.
- This will be company owned cylinders provided with a deposit that is refundable upon the return of the cylinder.
- Easigas supply and fills a range of LPG cylinder sizes from 9kg, 14kg, 19kg, 48kg, as well as forklift truck cylinders.

Easigas Cylinders

- Easigas
- Reatile

Only Easigas can fill or refill an Easigas or Reatile cylinder. All Easigas and Reatile cylinders sold must have a shrink wrap on the valve bearing an Easigas logo with a unique serial number.
